

The Yard

Channybearup, Riversdale, Justin, Acaciawithin each of these vineyards is The Yard: the place where we break ground in single vineyard wines.

The magic of wine is its ability to express provenance. This is why, for us, making wine means growing grapes.

It's much harder to improve the vineyard than it is to employ a change in winemaking technique. From the big things like travelling the world in the hunt for grape clones which we believe would be well suited to our vineyard sites, to the little things like dropping the height of the cane from 1.2m to 400mm, every step counts.

We don't use herbicides. We employ fish and seaweed application. We make our own compost to support the whole vineyard biology. It's not just about better water retention, but about healthy soils with good microbial activity. It's a whole ecosystem thinking to make healthier, disease-resistant vines. Continuous within The Yard is our work to translate and transmit terroir.

The wines made here offer a first look into the future of the Cherubino tier range.

2018 Riversdale Shiraz

THE VINTAGE:

A dry start to the winter followed by timely spring rains. The summer was cool and mild which allowed fruit to ripen very slowly resulting in strong acidities and deep colours for reds with full flavours and lower sugar levels. A very strong vintage for the region.

Vintage Rating—9/10

THE WINEMAKING:

Fruit was hand-picked and sorted. Fermentation was carried out in small lot fermenters. Moderate extraction was aimed for, thus ensuring vineyard characters were fully expressed. The wine was then aged in new and one year old oak for 6-8 months.

THE WINE:

Black spices, plum and red flowers with delicate oak characters. The tannins are fine and long. Earth and red flowers and spices dominate the flavours, finishing with a soft texture.

DRINK WITH:

Spiced beef cassoulet.
