

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2020 Margaret River Sauvignon Blanc

THE VINTAGE:

Low rainfall and warm temperatures in spring resulted in a very early harvest. All varieties performed exceptionally well with the standouts being Cabernet Sauvignon and Chardonnay.

THE WINEMAKING:

The fruit was harvested at night and gently de-stemmed, care being taken to sort the best berries for this wine. Natural yeasts were employed, and the wine underwent a long, cool fermentation at 10-12°C in new French oak.

THE WINE:

A bouquet of nettle, minerals, blackcurrant and an oak-infused spiciness. Made in a traditional Bordeaux style, the wine was fermented in new French oak, adding layers of complexity and flavour. A long, fine line of acidity provides great length and finish.
