

## *Cherubino*

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

## 2020 Mount Barker Riesling

### THE VINTAGE:

A very dry winter and spring (driest in 100 years). These dry conditions continued throughout summer. Good rainfalls in February provided much needed moisture. Very low crops but exceptional whites and reds.

### THE WINEMAKING:

Hand-picked and whole-bunch pressed to stainless steel, a long cool fermentation with natural yeasts. Bottled immediately after fermentation ended.

### THE WINE:

Distinctive Mount Barker citrus blossom, an ultra fine palate with a long lingering acidity.
