

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2021 Pemberton Pinot Noir

THE VINTAGE:

A high rainfall harvest, careful selection and harvesting resulting in some very high-quality aromatic whites and Chardonnay. All our fruit for the season were hand-picked and colour sorted at the winery.

THE WINEMAKING:

Hand-picked and sorted the berries were gravity fed to small close fermenters where minimal additions were made. The wine slowly fermented with native yeast where it took 4 weeks to complete primary fermentation. The wine was matured in foudre for 6 months prior to bottling.

THE WINE:

Light bodied and fragrant, with savoury notes, strawberry, red cherry and pomegranate flavours on a very long palate.
