

## *Cherubino*

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

## 2021 Pemberton Sauvignon Gris

### THE VINTAGE:

A high rainfall harvest, careful selection and harvesting resulting in some very high-quality aromatic whites and Chardonnay. All our fruit for the season were hand picked and colour sorted at the winery.

### THE WINEMAKING:

The fruit was harvested at night and gently de-stemmed, care being taken to sort the best berries for this wine. Natural yeasts were employed, and the wine underwent a long, cool fermentation at 10-12°C in new French oak.

### THE WINE:

A striking bouquet of nettle, minerals, blackcurrant and an oak-infused spiciness. Made in a traditional Bordeaux style, the wine was fermented in new French oak, adding layers of complexity and flavour. A long, fine line of acidity provides great length and finish.
