We've travelled long to find the path of least resistance, enabling us to show you great quality at great value for money.

2022 Wallflower Riesling

THE VINTAGE:

As succession of very good seasons for Frankland River; 2018, 2019, 2020, 2021 and now 2022. Riesling, Shiraz and Cabernet begin the easier varieties, all performed exceptionally with very good flavour, acidity and freshness, however there are not many varieties that did not perform at their peak this harvest. A mild wet winter followed by dry and warm conditions leading up to harvest resulted with a season which had a long but gentle finish. Fruit harvested was in near perfect condition and will result in some very long lived wines.

THE WINEMAKING:

Grapes were selected from various sites across the Great Southern. Great attention to harvest dates along with gentle de-stemming, minimal use of sulphur and using free-run juice from select parcels of fruit ensured the elegance and purity of flavour was maintained.

THE WINE:

Almost transparent in colour, this wine shows great purity and refinement. A fragrant bouquet, with flavours of lemon peel and bath salts all carried along by a soft texture and long fine acid.
