

## Ad Hoc

Ad Hoc is an assembly of varietal wines for any occasion, each wine sourced from its best-suited region in Western Australia.

From Margaret River, to Pemberton, to the regions of the Great Southern, we've grown up and worked amongst the vines. Our knowledge of these regions and relationships with other grape growers enables us to find the best vineyards for each grape variety, and this is what we show with through Ad Hoc.

We've travelled long to find the path of least resistance, enabling us to show you great quality at great value for money.

Ad Hoc are "go-to", dependable wines for any occasion, as characterful as their labels.

## NV Riddler Sparkling

### THE VINTAGE:

A cool wet winter followed by a summer with temperatures 5 degrees lower than average, harvest was 3 weeks later than normal with patience being rewarded with high quality aromatic whites. Fruit thinning and attention to viticulture was essential this year. Aromatic varieties such as Pinot Grigio, Glera, Sauvignon Gris and Gewurztraminer powered through the difficult conditions in March.

### THE WINEMAKING:

Harvested at lower Baume to retain freshness and acidity. Held on yeast lees for 12 months after fermentation to help build texture and complexity.

### THE WINE:

Red apples, strawberry and cashew nut fragrance. The palate is soft and full, with fine acidity.

### DRINK WITH:
