

Folklore

Folklore is many things - it speaks to us of our past, present and future. It can be told, drawn or sung. It's human, natural, ritual—it's wine.

The fruit was sourced from our own vineyards and represents what we do best, farming grapes which are ideally suited to the regions of the south west and firmly putting fruit character and expression first.

NV Sparkling Brut

THE WINEMAKING:

A selection of Aromatic white varieties across the South West and Great Southern of Western Australia. Aged on lees for 24 months prior to bottling

THE WINE:

A full luscious bead that fills the mouth with no harsh acid edges or overt sweetness. Beautifully balanced citrus notes and yeastiness. Youthful but complex on the palate with texture, freshness and a long clean finish.
